

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Sec. 7.

Enacting clause.

All laws passed by the Philippine Commission shall have an enacting clause, as follows: "By authority of the United States be it enacted by the Philippine Commission"—by a provision of an act temporarily to provide for the administration of the affairs of civil government in the Philippine Islands, and for other purposes, Act July 1, 1902, c. 1369, § 1, 32 Stat. 691.

Sec. 11.

Title of appropriation acts.

No act of Congress is to be construed to make an appropriation out of the Treasury of the United States unless such act, in specific terms, declares an appropriation to be made for the specified purpose or purposes, by a provision of Act July 1, 1902, c. 1351, set forth post, under Title XLI, "Appropriations."

ACT MARCH 2, 1895, c. 177, § 1.

St. 1901, p. 2554, which is amended by Act Jan. 20, 1905, c. 50, to read as set forth in that act, post, under Title XLV, "Public Printing, Advertisements, and Public Documents."

TITLE II.

THE CONGRESS.

CHAPTER FOUR.

Compensation of Members.

Sec. 35.

Salaries of members of Congress.

The repeal, by Act Jan. 20, 1874, c. 11, set forth in Comp. St. 1901, p. 16, of so much of Act March 3, 1873, c. 226, § 1, incorporated in part in Rev. St. § 35, and other sections of this chapter, as provided "for the increase of the compensation of public officers and employés, whether members of Congress, delegates, or others, except the President of the United States and the justices of the Supreme Court," and the further provision of Act Jan. 20, 1874, c. 11, that "the salaries, compensation, and allowances of all said persons, except as aforesaid, shall be as fixed by the laws in force at the time of the passage of said act" of March 3, 1873, c. 226, § 1, operated as a repeal of so much of Rev. St. § 35, as fixed the amount of the salary of each Senator, Representative, and Delegate at \$7,500, and restored, as the law previously in force on the subject, the provisions of Act July 28, 1866, c. 296, § 17, set forth below.

ACT JULY 28, 1866, c. 296, § 17.

Pay and mileage of Senators, Representatives, and Delegates in Congress.

And be it further enacted, That the compensation of each Senator, Representative, and Delegate in Congress shall be five thousand dollars per annum, to be computed from the first day of the present Congress, and in addition thereto mileage at the rate of twenty cents per mile, to be estimated by the nearest route usually travelled in going to and returning from each regular session; but nothing herein contained shall affect mileage accounts already accrued under existing laws: Provided, That hereafter mileage accounts of Senators shall be certified by the President of the Senate, and those of Representatives and Delegates by the Speaker of the House of Representatives: And provided further, That the pay of the Speaker shall be eight thousand dollars per annum.

Act July 28, 1866, c. 296, § 17, 14 Stat. 323.

It was superseded by the provisions of Act March 3, 1873, c. 226, § 1, for increased compensation, which were incorporated into the Revised Statutes; but on the repeal of those provisions, by Act Jan. 20, 1874, c. 11, Comp. St. 1901, p. 16, this section was revived, by express provision of said repealing act, as part

of "the laws in force at the time of the passage of said act" so repealed.

Sec. 37.

Sec. 833.**Semi-annual returns of fees by district attorneys, marshals, and clerks.**

The provisions of this section, so far as applicable to clerks of district courts and circuit courts, may be regarded as superseded by the similar provisions of Act June 28, 1902, c. 1301, § 1, set forth below.

Fees authorized to be paid to district attorneys and marshals are required, by Act May 28, 1896, c. 252, § 6, Comp. St. 1901, p. 611, to be paid to the clerk of the court having jurisdiction, and by him covered into the treasury of the United States; but this requirement does not apply to the office of the United States district attorney and his assistants for the southern district of New York or for the District of Columbia, by a proviso annexed to section 24 of said Act May 28, 1896, c. 252, set forth in Comp. St. 1901, p. 618. By a subsequent provision of Act March 3, 1905, c. 1483, § 1, set forth above, district attorneys are in no case, except in the District of Columbia, to receive fees of office in addition to salary.

Act June 28, 1902, c. 1301, § 1, 32 Stat. 475.

These are provisos annexed to an appropriation for clerks' fees in the sundry civil appropriation act for the fiscal year ending June 30, 1903, cited above. They may be regarded as superseding the provisions of Rev. St. § 833, in their application to clerks of the district and circuit courts.

Similar provisions for annual returns of fees and emoluments and for

the rendering and settlement of accounts by the clerk of the Supreme Court and the clerks of the circuit courts of appeals, contained in previous statutes, are set forth in Comp. St. 1901, pp. 651-652.

Fees received by clerks for naturalization are required to be paid over by a provision of Act March 15, 1898, c. 68, § 8, set forth in Comp. St. 1901, p. 651.

Previous provisions for compensation of district attorneys by salaries instead of fees, contained in Act May 28, 1896, c. 252, §§ 6-18, 14-18, Comp. The provision of the section for double fees to the district attorneys and marshals named was extended to the territories of New Mexico and Arizona, and made applicable to the fees of all officers in those territories. A subsequent provision, of Act July 2, 1890, c. 650, 26 Stat. 212, allowed the district attorneys and marshals to retain of their fees and emoluments such sum as necessary to make their whole compensation including salary \$6,000 per year each; but this was superseded by the provisions for payment to them of salaries, etc., contained in Act May 28, 1896, c. 252, §§ 6-18, mentioned above. By sections 7 and 9 of that act, the salary of the district attorney and of the marshal for each territory is \$4,000.

Act Dec. 16, 1878, c. '5, 20 Stat. 258. April 12, 1904, c. 1249, 33 Stat. 173.

The sundry civil appropriation act for the fiscal year ending June 30, 1879, Act June 20, 1878, c. 359, § 1, 20 Stat. 230, mentioned in the title of this act, contained a provision in the same words as that of this act for the lease of bath houses of a permanent nature, followed by the words, "Provided, That;" the substance of the proviso being omitted.

The second proviso of this act, as originally enacted, which limited the supply of water to not more than enough for 40 bath tubs of the usual size to a single establishment, is stricken out, and in lieu thereof the second proviso set forth here is inserted, by Act April 12, 1904, c. 1249, cited above.

The portion of this act omitted here made an appropriation for the expenses of the Hot Springs Commission, and provided for the appointment of a board of commissioners, conferring upon them the powers of the commissioners appointed under the previous Act March 3, 1877, c. 108, 19 Stat. 377, to lay out, etc., the Hot Springs Reservation, and revived and continued in force said preceding act, to enable the commissioners to perform the acts and duties authorized by it. These and other earlier provisions relating to the establishment and management of the reservation were temporary merely and have been executed.

The provisions of this act relating to leases of ground, bath houses, etc., were also in part temporary in nature, and appear to be superseded, to a great extent, by those of Act March 3, 1891, c. 533, set forth below; but this act is recognized by the subsequent amendment by Act April 12, 1904, c. 1249, mentioned above.

The cession by the State of Arkansas to the United States of exclusive jurisdiction over a part of the permanent Hot Springs Reservation is accepted, and the prosecution and punishment of offenses committed therein are provided for, by Act April 20, 1904, c. 1400, set forth below.

Provisions for the reservation of the Sulphur Springs in the Chickasaw Nation, Indian Territory, are made by Act July 1, 1902, c. 1362, par. 64, 32 Stat. 655, and Act April 21, 1904, c. 1402, § 18, 33 Stat. 220; but the provision first mentioned declares its intention to be "that in the future the lands and improvements herein mentioned shall be conveyed by the United States to such territorial or state organization as may exist at the time when such conveyance is made."

ACT JUNE 30, 1882, c. 254.

Army and Navy Hospital on Hot Springs Reservation.

* * Army and Navy hospital at Hot Springs, Arkansas, which shall be erected by and under the direction of the Secretary of War, in accordance with plans and specifications to be prepared and submitted to the Secretary of War by the Surgeons-General of the Army and Navy; which hospital, when in a condition to receive patients, shall be subject to such rules, regulations, and restrictions as shall be provided by the President of the United States: Provided further, That such hospital shall be erected on the government reservation at or near Hot Springs, Arkansas.

Act June 30, 1882, c. 254, 22 Stat. 121.

These are provisos accompanying an appropriation for the erection of the hospital mentioned, in the Army appropriation act for the fiscal year ending June 30, 1883, cited above.

He shall also cause all persons trespassing upon

the same after the passage of this act to be removed therefrom, and, generally, shall be authorized to take all such measures as shall be necessary or proper to fully carry out the objects and purposes of this act.

The provisions of this act apply also to Indian reservations and allotted Indian lands in the Territory of Oklahoma, by a proviso annexed to section 23 of the act, set forth below.

Width of right of way; grounds for stations, etc., yards, etc.; water supply; changes.

Sec. 14. That the right of way of any railway company shall not exceed one hundred feet in width except where there are heavy cuts and fills, when one hundred feet additional may be taken on each side of said right of way; but lands additional and adjacent to said right of way may be taken and condemned by any railway company for station grounds, buildings, depots, side tracks, turnouts, or other railroad purposes not exceeding two hundred feet in width by a length of two thousand feet. That additional lands not exceeding forty acres at any one place may be taken by any railway company when necessary for yards, roundhouses, turntables, machine shops, water stations, and other railroad purposes. And when necessary for a good and sufficient water supply in the operation of any railroad, any such railway company shall have the right to take and condemn additional lands for reservoirs for water stations, and for such purpose shall have the right to impound surface water or build dams across any creek, draw, canyon, or stream, and shall have the right to connect the same by pipe line with the railroad and take the necessary grounds for such purposes; and any railway company shall have the right to change or straighten its line, reduce its grades or curves, and locate

new stations and to take the lands and right of way necessary therefor under the provisions of this Act.

Act Feb. 28, 1902, c. 134, § 14, 32 Stat. 47.

Compensation for right of way and damages; maps to be filed; appraisal of compensation, etc., award, appeal, fees, and costs.

Sec. 15. That before any railroad shall be constructed or any lands taken or condemned for any of the purposes set forth in the preceding section, full compensation for such right of way and all land taken and all damage done or to be done by the construction of the railroad, or the taking of any lands for railroad purposes, shall be made to the individual owner, occupant, or allottee of such lands, and to the tribe or nation through or in which the same is situated: Provided, That correct maps of the said line of railroad in sections of twenty-five miles each, and of any lands taken under this Act, shall be filed in the Department of the Interior, and shall also be filed with the United States Indian agent for Indian Territory, and with the principal chief or governor of any tribe or nation through which the lines of railroad may be located or in which said lines are situated.

In case of the failure of any railway company to make amicable settlement with any individual owner, occupant, allottee, tribe, or nation for any right of way or lands or improvements sought to be appropriated or condemned under this Act, all compensation and damages to be paid to the dissenting individual owner, occupant, allottee, tribe, or nation by reason of the appropriation and condemnation of said right of way, lands, or improvements shall be determined by the appraisal of three disinterested referees, to be appointed by the judge of the United States court, or other court of jurisdiction in the district where such lands are situated, on application of the corporation or other person or party in interest. Such referees, before entering upon the duties of their appointment, shall each take and subscribe, before competent authority, an oath that he will faithfully and impartially discharge the duties of his appointment, which oaths, duly certified, shall be returned with the award of the referees to the clerk of the court by which they were appointed. The referees shall also find in their report the names of the person and persons, tribe, or nation to whom the damages are payable and the interest of each person, tribe, or nation in the award of damages. Before such referees shall proceed with the assessment of damages for any right of way or other lands condemned under this Act, twenty days' notice of the time when the same shall be condemned shall be given to all persons interested, by publication in some newspaper in general circulation nearest said property in the district where said right of way or said lands are situated, or by ten days' personal notice to each person owning or having any interest in said lands or right of way: Provided, That such notice to any tribe or nation may be served on the principal chief or governor of the tribe. If the referees can not agree, then any two of them are authorized to and shall make the award. Any party to the proceedings who is dissatisfied with the award of the referees shall have the right, within ten days after the making of the award, to appeal, by original petition, to the United States court, or other court of competent jurisdiction, sitting at the

place nearest and most convenient to the property sought to be taken, where the question of the damages occasioned by the taking of the lands in controversy shall be tried de novo, and the judgment rendered by the court shall be final and conclusive, subject, however, to appeal as in other cases.

When the award of damages is filed with the clerk of the court by the referees, the railway company shall deposit the amount of such award with the clerk of the court, to abide the judgment thereof, and shall then have the right to enter upon and take possession of the property sought to be condemned: Provided, That when the said railway company is not satisfied with the award, it shall have the right, before commencing construction, to abandon any portion of said right of way and adopt a new location, subject, however, as to such new location, to all the provisions of this Act. Each of the referees shall receive for his compensation the sum of four dollars per day while actually engaged in the appraisement of the property and the hearing of any matter submitted to them under this Act. Witnesses shall receive the fees and mileage allowed by law to witness in courts of record within the districts where such lands are located. Costs, including compensation of the referees, shall be made part of the award or judgment and be paid by the railway company: Provided, That if any party or person other than the railway company shall appeal from any award, and the judgment of the court does not award such appealing party or person more than the referees awarded, all costs occasioned by such appeal shall be paid by such appealing party or person.

Act Feb. 28, 1902, c. 134, § 15, 32 Stat. 47.

Annual charge payable to tribe or nation owning or occupying lands; regulation of freight and other charges for transportation.

Sec. 16. That where a railroad is constructed under the provisions of this Act there shall be paid by the railway company to the Secretary of the Interior, for the benefit of the particular tribe or nation through whose lands any such railroad may be constructed, an annual charge of fifteen dollars per mile for each mile of road constructed, the same to be paid so long as said lands shall be owned and occupied by such nation or tribe, which payment shall be in addition to the compensation otherwise provided herein; and the grants herein are made upon the condition that Congress hereby reserves the right to regulate the charges for freight and passengers on said railways and messages on all telegraph and telephone lines until a State government or governments shall exist in said Territory within the limits of which any railway shall be located; and then such State government or governments shall be authorized to fix and regulate the cost of transportation of persons and freights within their respective limits by such railways; but Congress expressly reserves the right to fix and regulate at all times the cost of such transportation by said railways whenever such transportation shall extend from one State into another, or shall extend into more than one State; and that the railway companies shall carry the mail at such prices as Congress may by law provide; and until such rate is fixed by law the Postmaster-General may fix the rate of compensation.

Act Feb. 28, 1902, c. 134, § 16, 32 Stat. 48.

Crossings and connections; proceedings to acquire right, determination, and appeal; penalty for violation of provisions of section.

Sec. 17. That any railway company authorized to construct, own or operate a railroad in said Territory desiring to cross or unite its tracks with any other railroad upon the grounds of such other railway company shall, after fifteen days' notice in writing to such other railroad company, make application in writing to the judge of the United States court for the district in which it is proposed to make such crossing or connection for the appointment of three disinterested referees to determine the necessity, place, manner, and time of such crossing or connection. The provisions of section three of this Act with respect to the condemnation of right of way through tribal or individual lands shall, except as in this section otherwise provided, apply to proceedings to acquire the right to cross or connect with another railroad. Upon the hearing of any such application to cross or connect with any other railroad, either party or the referees may call and examine witnesses in regard to the matter, and said referees shall have the same power to administer oaths to witnesses that is now possessed by United States commissioners in said Territory, and said referees shall, after such hearing and a personal examination of the locality where a crossing or connection is desired, determine whether there is a necessity for such crossing or not, and if so, the place thereof, whether it shall be over or under the existing railroad or at grade, and in other respects the manner of such crossing and the terms upon which the same shall be made and maintained: Provided, That no crossing shall be made through the yards or over the switches or side tracks of any existing railroad if a crossing can be effected at any other place that is practicable. If either party shall be dissatisfied with the terms of the order made by said referees it may appeal to the United States court of the Indian Territory for the district wherein such crossing or connection is sought to be made in the same manner as appeals are allowed from a judgment of a United States commissioner to said court, and said appeal and all subsequent proceedings shall only affect the amount of compensation, if any, and other terms of crossing fixed by said referees, but shall not delay the making of said crossing or connection: Provided, That the corporation desiring such crossing or connection shall deposit with the clerk of the court the amount of compensation, if any is fixed by said referees, and shall execute and file with said clerk a bond of sufficient security, to be approved by the court or a judge thereof in vacation, to pay all damages and comply with all terms that may be adjudged by the court. Any railway company which shall violate or evade any of the provisions of this section shall forfeit for every such offense, to the person, company, or corporation injured thereby, three times the actual damages sustained by the party aggrieved.

Act Feb. 28, 1902, c. 134, § 17, 32 Stat. 49.

The provisions of section 3 of this act, mentioned in this section, relating to the condemnation of the right of way of the Enid and Anadarko Railway Company through lands held by individuals according to the laws, etc., of any Indian nation or tribe, and differ from the provisions of section 15 of this act, set forth above. Section 3 is as follows:

"That before said railway shall be constructed through any lands held by individual occupants according to the laws, customs, and usages of

any of the Indian nations or tribes through which it may be constructed, full compensation shall be made to such occupants for all property to be taken or damage done by reason of the construction of such railway. In case of failure to make amicable settlement with any occupant, such compensation shall be determined by the appraisement of three disinterested referees, to be appointed, one (who shall act as chairman) by the Secretary of the Interior, one by the chief of the nation to which said occupant belongs, and one by said railway company, who, before entering upon the duties of their appointment, shall take and subscribe before a district judge, clerk of a district court, or United States commissioner, an oath that they will faithfully and impartially discharge the duties of their appointment, which oath, duly certified, shall be returned with their award to and filed with the Secretary of the Interior within sixty days from the completion thereof; and a majority of said referees shall be competent to act in case of the absence of a member, after due notice. And upon the failure of either party to make such appointment within thirty days after the appointment made by the Secretary of the Interior, the vacancy shall be filled by a judge of the United States court for the Indian Territory upon the application of the other party. The chairman of said board shall appoint the time and place for all hearings within the nation to which such occupant belongs. Each of said referees shall receive for his services the sum of four dollars per day for each day they are engaged in the trial of any case submitted to them under this Act, with mileage at five cents per mile. Witnesses shall receive the usual fees allowed by the courts of said nations. Costs, including compensation of the referees, shall be made a part of the award, and be paid by such railway company. In case the referees cannot agree, then any two of them are authorized to make the award. Either party being dissatisfied with the finding of the referees shall have the right, within ninety days after the making of the award and notice of the same, to appeal by original petition to the United States court for the Indian Territory, which court shall have jurisdiction to hear and determine the subject-matter of said petition, according to the laws of the Territory in which the same shall be heard provided for determining the damage when property is taken for railroad purposes. If upon the hearing of said appeal the judgment of the court shall be for a larger sum than the award of the referees, the cost of said appeal shall be adjudged against the railway company. If the judgment of the court shall be for the same sum as the award of the referees, then the costs shall be adjudged against the appellant. If the judgment of the court shall be for a smaller sum than the award of the referees, then the costs shall be adjudged against the party claiming damages. When proceedings have been commenced in court, the railway company shall pay double the amount of the award into court to abide the judgment thereof, and then have the right to enter upon the property sought to be condemned and proceed with the construction of the railway."

Interlocking or automatic signals at crossings.

Sec. 18. That when in any case two or more railroads crossing each other at a common grade shall, by a system of interlocking or automatic signals, or by any works or fixtures to be erected by them, render it safe for engines and trains to pass over such crossing without stopping, and such interlocking or automatic signals or works or fixtures shall be approved by the Interstate Commerce Commissioners, then, in that case, it is hereby made lawful for the engines and trains of such railroad or railroads to pass over such crossing without stopping, any law or the provisions of any law to the contrary notwithstanding; and when two or more railroads cross each other at a common grade, either of such roads may apply to the Interstate Commerce Commissioners for permission to introduce upon both of said railroads some system of interlocking or automatic sig-

nals or works or fixtures rendering it safe for engines and trains to pass over such crossings without stopping, and it shall be the duty of said Interstate Commerce Commissioners, if the system of works and fixtures which it is proposed to erect by said company are, in the opinion of the Commission, sufficient and proper, to grant such permission.

And where the time for the completion of a railroad in Indian Territory under any Act granting a right of way therefor has expired, or shall hereafter expire, in advance of the construction of such railroad, or of any part thereof, the Secretary of the Interior may, upon good cause shown, extend the time for the

ACT MARCH 11, 1904, c. 505. [S. 3317.]

An Act Authorizing the Secretary of the Interior to Grant Right of Way for Pipe Lines through Indian Lands. (33 Stat. 65.)

Right of way through Indian reservations or other Indian lands for pipe lines.

Be it enacted, &c., That the Secretary of the Interior is hereby authorized and empowered to grant a right of way in the nature of an easement for the construction, operation, and maintenance of pipe lines for the conveyance of oil and gas through any Indian reservation, through any lands held by an Indian tribe or nation in the Indian Territory, through any lands reserved for an Indian agency or Indian school, or for other purpose in connection with the Indian service, or through any lands which have been allotted in severalty to any individual Indian under any law or treaty, but which have not been conveyed to the allottee with full power of alienation, upon the terms and conditions herein expressed. No such lines shall be constructed across Indian lands, as above mentioned, until authority therefor has first been obtained from, and the maps of definite location of said lines approved by, the Secretary of the Interior: Provided, That the construction of lateral lines from the main pipe line establishing connection with oil and gas wells on the individual allotments of citizens may be constructed without securing authority from the Secretary of the Interior and without filing maps of definite

location, when the consent of the allottee upon whose lands oil or gas wells may be located and of all other allottees through whose lands said lateral pipe lines may pass has been obtained by the pipe line company: Provided further, That in case it is desired to run a pipe line under the line of any railroad, and satisfactory arrangement can not be made with the railroad company, then the question shall be referred to the Secretary of the Interior, who shall prescribe the terms and conditions under which the pipe line company shall be permitted to lay its lines under said railroad. The compensation to be paid the tribes in their tribal capacity and the individual allottees for such right of way through their lands shall be determined in such manner as the Secretary of the Interior may direct, and shall be subject to his final approval. And where such lines are not subject to State or Territorial taxation the company or owner of the line shall pay to the Secretary of the Interior, for the use and benefit of the Indians, such annual tax as he may designate, not exceeding five dollars for each ten miles of line so constructed and maintained under such rules and regulations as said Secretary may prescribe. But nothing herein contained shall be so construed as to exempt the owners of such lines from the payment of any tax that may be lawfully assessed against them by either State, Territorial, or municipal authority. And incorporated cities and towns into and through which such pipe lines may be constructed shall have the power to regulate the manner of construction therein, and nothing herein contained shall be so construed as to deny the right of municipal taxation in such towns and cities, and nothing herein shall authorize the use of such right of way except for pipe line, and then only so far as may be necessary for its construction, maintenance, and care: Provided, That the rights herein granted shall not extend beyond a period of twenty years: Provided further, That the Secretary of the Interior, at the expiration of said twenty years, may extend the right to maintain any pipe line constructed under this Act for another period not to exceed twenty years from the expiration of the first right, upon such terms and conditions as he may deem proper.

Be it enacted, &c., That the Act entitled "An Act for the protection of persons furnishing materials and labor for the construction of public works," approved August thirteenth, eighteen hundred and ninety-four, is hereby amended so as to read as follows:

Bonds of contractors for public buildings or works; rights of persons furnishing labor and materials; remedies on bonds, and proceedings in actions thereon.

"That hereafter any person or persons entering into a formal contract with the United States for the construction of any public building, or the prosecution and completion of any public work, or for repairs upon any public building or public work, shall be required, before commencing such work, to execute the usual penal bond, with good and sufficient sureties, with the additional obligation that such contractor or contractors shall promptly make payments to all persons supplying him or them with labor and materials in the prosecution of the work provided for in such contract; and any person, company, or corporation who has furnished labor or materials used in the construction or repair of any public building or public work, and payment for which has not been made, shall have the right to intervene and be made a party to any action instituted by the United States on the bond of the contractor, and to have their rights and claims adjudicated in such action and judgment rendered thereon, subject, however, to the priority of the claim and judgment of the United States. If the full amount of the liability of the surety on said bond is insufficient to pay the full amount of said claims and demands, then, after paying the full amount due the United States, the remainder shall be distributed pro rata among said interveners. If no suit should be brought by the United States within six months from the completion and final settlement of said contract, then the person or persons supplying the contractor with labor and materials shall, upon application therefor, and furnishing affidavit to the Department under the direction of which said work has been prosecuted that labor or materials for the prosecution of such work has been supplied by him or them, and payment for which has not been made, be furnished with a certified copy of said contract and bond, upon which he or they shall have a right of action, and shall be, and are hereby, authorized to bring suit in the name of the United States in the circuit court of the United States in the district in which said contract was to be performed and executed, irrespective of the amount in controversy in such suit, and not elsewhere, for his or their use and benefit, against said contractor and his sureties, and to prosecute the same to final judgment and execution: Provided, That where suit is

instituted by any of such creditors on the bond of the contractor shall not be commenced until after the complete performance of the contract and final settlement thereof, and shall be commenced not later than one year after the performance and final settlement of said contract and not later: And provided further, That where suit is so instituted by a creditor or by creditors, only one action shall be brought, and any creditor may file his claim in such action and be made party thereto within one year from the completion of the work under said contract and not later. If the recovery on the bond should be inadequate to pay the amounts found due to all of said creditors, judgment shall be given to each creditor pro rata of the amount of the recovery. The surety on said bond may pay into court, for distribution among the claimants and creditors, the full amount of the sureties' liability, the penalty named in the bond, less any amount which said surety may have had to pay to the United States by reason of the expiration of said bond, and upon so doing the surety will be relieved of further liability: Provided further, That in all suits instituted under the provisions of this Act such personal notice of the pendency of such suits, informing them of their right to intervene as the court may order, shall be given to all known creditors, and in addition notice of publication in some newspaper of general circulation published in the State or town where the contract is being performed at least three successive weeks, the last publication to be at least three months before the time limited therefor."

pose of mitigating the evils inseparable from war; of ameliorating the condition of soldiers wounded on the field of battle, and particularly providing, among other things, in effect, that persons employed in hospitals and in according relief to the sick and wounded and supplies for this purpose shall be deemed neutral and entitled to protection; and that a distinctive and uniform flag shall be adopted for hospitals and ambulances and convoys of sick and wounded and an arm badge for individuals neutralized; and

Whereas said treaty has been ratified by all of said nations, and by others subsequently, to the number of forty-three or more, including the United States of America; and

Whereas the International Conference of Geneva of eighteen hundred and sixty-three recommended "that there exist in every country a committee whose mission consists in co-operating in times of war with the hospital service of the armies by all means in its power;" and

Whereas in accordance with the requirements and customs of said international body such an association adopting and using said insignia was formed in the city of Washington, District of Columbia, in July, eighteen hundred and eighty-one, known as "The American National Association of the Red Cross," reincorporated April seventeenth, eighteen hundred and ninety-three, under the laws of the District of Columbia, and reincorporated by Act of Congress in June, nineteen hundred; and

The legislative, executive, and judicial appropriation act for the fiscal year ending June 30, 1904, appropriates \$500,000, to be immediately available, out of any money in the Treasury not otherwise appropriated, and to be expended under the direction of the Attorney-General in the employment of special counsel and agents of the Department of Justice to conduct proceedings, suits, and prosecutions for violations of this act, and Act July 2, 1890, c. 647, and Act Aug. 27, 1894, c. 849, §§ 73-76. Act Feb. 25, 1903, c. 755, § 1, set forth below. And the balance of said appropriation is continued available during the fiscal years 1905 and 1906, by provisions of the sundry civil appropriation acts for those years, Act April 28, 1904, c. 1762, § 1, and Act March 3, 1905, c. 1483, § 1, also set forth below.

and prosecute such proceedings, are contained in Act Feb. 19, 1903, c. 708, § 3, set forth below.

No person can be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he may testify or produce evidence, documentary or otherwise, in any proceeding, suit, or prosecution, under Act Feb. 4, 1887, c. 104, and all acts amendatory thereof and supplementary thereto, by Act Feb. 25, 1903, c. 755, § 1, set forth below. Said act further provides that no person so testifying shall be exempt from prosecution or punishment for perjury committed in so testifying.

ACT FEB. 19, 1903, c. 708.

Corporation common carriers liable for violations of acts regulating commerce; failure to file tariff, penalty; rebates, concessions, and discriminations prohibited, penalty; imprisonment as penalty abolished; jurisdiction of prosecutions; liability for acts of agents, etc.; published rates to be adhered to.

Be it enacted, &c., That anything done or omitted to be done by a corporation common carrier, subject to the Act to regulate commerce and the Acts amendatory thereof which, if done or omitted to be done by any director or officer thereof, or any receiver, trustee, lessee, agent, or person acting for or employed by such corporation, would constitute a misdemeanor under said Acts or under this Act shall also be held to be a misdemeanor committed by such corporation, and upon conviction thereof it shall be subject to like penalties as are prescribed in said Acts or by this Act with reference to such persons except as such penalties are herein changed. The willful failure upon the part of any carrier subject to said Acts to file and publish the tariffs or rates and charges as required by said Acts or strictly to observe such tariffs until changed according to law, shall be a misdemeanor, and upon conviction thereof the corporation offending shall be subject to a fine not less than one thousand dollars nor more than twenty thousand dollars for each offense; and it shall be unlawful for any person, persons, or corporation to offer, grant, or give or to solicit, accept, or receive any rebate, concession, or discrimination in respect of the transportation of any property in interstate or foreign commerce by any common carrier subject to said Act to regulate commerce and the Acts amendatory thereto whereby any such property shall by any device whatever be transported at a less rate than that named in the tariffs published and filed by such carrier, as is required by said Act to regulate commerce and the Acts amendatory thereto, or whereby any other advantage is given or discrimination is practiced. Every person or corporation who shall offer, grant, or give or solicit, accept or receive any such rebates, concession, or discrimination shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not less than one thousand dollars nor more than twenty thousand dollars. In all convictions occurring after the passage of this Act for offenses under said Acts to regulate commerce, whether committed before or after the passage of this Act, or for offenses under this section, no penalty shall be imposed on the convicted party other than the fine prescribed by law, imprisonment wherever now prescribed as part of the penalty being hereby abolished. Every violation of this section shall be prosecuted in any court of the United States having jurisdiction of crimes within the district in which such violation was committed or through which the transportation may have been conducted; and whenever the offense is begun in one jurisdiction and completed in another it may be dealt with, inquired of, tried, determined, and punished in either jurisdiction in the same manner as if the offense had been actually and wholly committed therein.

In construing and enforcing the provisions of this section the act, omission, or failure of any officer, agent, or other person acting for or employed by any common carrier acting within the scope of his employment shall in every case be also deemed to be the act, omission, or failure of such carrier as well as that of the person. Whenever any carrier files with the Interstate Commerce Commission or publishes a particular rate under the provisions of the Act to regulate commerce or Acts amendatory thereto, or participates in any rates so filed or published, that rate as against such carrier, its officers, or agents in any prosecution begun under this Act shall be conclusively deemed to be the legal rate, and any departure from such rate, or any offer to depart therefrom, shall be deemed to be an offense under this section of this Act.

Act Feb. 19, 1903, c. 708, § 1, 32 Stat. 847.

The act mentioned in this section is Act Feb. 4, 1887, c. 104, set forth as amended by Act March 2, 1889, c. 382, Act Feb. 10, 1891, c. 128, and Act Feb. 8, 1895, c. 61, in Comp. fied of the truth of the allegations of said petition said court shall enforce an observance of the published tariffs or direct and require a discontinuance of such discrimination by proper orders, writs, and process, which said orders, writs, and process may be enforceable as well against the parties interested in the traffic as against the carrier, subject to the right of appeal as now provided by law. It shall be the duty of the several district attorneys of the United States, whenever the Attorney-General shall direct, either of his own motion or upon the request of the Interstate Commerce Commission, to institute and prosecute such proceedings, and the proceedings provided for by this Act shall not preclude the bringing of suit for the recovery of damages by any party injured, or any other action provided by said Act approved February fourth, eighteen hundred and eighty-seven, entitled An Act to regulate commerce and the Acts amendatory thereof. And in proceedings under this Act and the Acts to regulate commerce the said courts shall have the power to compel the attendance of witnesses, both upon the part of the carrier and the shipper, who shall be required to answer on all subjects relating directly or indirectly to the matter in controversy, and to compel the production of all books and papers, both of the carrier and the shipper, which relate directly or indirectly to such transaction; the claim that such testimony or evidence may tend to criminate the person giving such evidence shall not excuse such person from testifying or such corporation producing its books and papers, but no person shall be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he may testify or produce evidence documentary or otherwise in such proceeding: Provided, That the provisions of an Act entitled "An Act to expedite the hearing and determination of suits in equity pending or hereafter brought under the Act of July second, eighteen hundred and ninety, entitled 'An Act to protect trade and commerce against unlawful restraints and monopolies,' 'An Act to regulate commerce,' approved February fourth, eighteen hundred and eighty-seven, or any other Acts having a like purpose that may be hereafter enacted, approved February eleventh, nineteen hundred and three," shall apply to any case prosecuted under the direction of the Attorney-General in the name of the Interstate Commerce Commission.

Be it enacted, &c., That hereafter the proceedings instituted upon petition of the Commissioners of the District of Columbia to determine the mental condition of alleged indigent insane persons and persons alleged to be insane, with homicidal or otherwise dangerous tendencies, shall be according to the provisions of the code of law for the District of Columbia relating to lunacy proceedings: Provided, That the jury to be used in case the said Commissioners are the petitioners shall be impaneled by the United States marshal for said District, upon order of the court, from the jurors in attendance upon the criminal courts of said District, who shall perform such services in addition to and as part of their duties in said criminal courts: Provided further, That during such time as jurors are not in attendance upon said criminal courts the court may direct the said marshal to impanel the jurors in attendance upon the police court of said District, who shall perform such duties in addition to and as part of their duties in said police court; or the said court may direct a special jury to be summoned for such inquisitions. In case any such person adjudged to be of unsound mind has property, real or personal, the equity court of said District shall have full power in the same cause to appoint a committee or trustee of the person and estate of such person, according to the provisions of said code, and such committee or trustee shall reimburse, out of the funds of the lunatic, the District of Columbia for all court costs expended or incurred by it and for all moneys by it expended or costs incurred in caring for and treating such insane person up to the time of such appointment.

Act Feb. 23, 1905, c. 738, § 1, 33 Stat. 740.

Previous to this act, proceedings to commit to the hospital insane persons such as are described therein were directed to be taken in the equity court of the District of Columbia, and to be in conformity with the law in force in the District on Jan. 30, 1899, by a provision of Act March 3, 1903, c. 1006, § 1, 32 Stat. 1043; a further provision of which act, repealing Act Jan. 31, 1899, c. 78, §§ 1-6, 8, Comp. St. 1901, pp. 3359, 3360, which had changed such proceedings, is set forth above.

The law in force in the District of Columbia on Jan. 30, 1899, relating to such proceedings, was contained in Rev. St. §§ 4845-4848, and subsequent provisions enacted before that date, which were superseded by said Act Jan. 31, 1899, c. 78, Comp. St. 1901, pp. 3359, 3360, until the repeal of sections 1-6, 8, thereof, by Act March 3, 1903, c. 1006, § 1, as stated above.

The provisions of the Code for the District of Columbia relating to

Under said Code as originally enacted, such proceedings were in the probate court; by the amended provisions, they are in the equity court, as was provided also in regard to proceedings for commitment to the Government Hospital for the Insane, by Act March 3, 1903, c. 1006, § 1, 32 Stat. 1043.

Previous provisions similar to those of the provisos of this section, relating to impaneling juries in such proceedings from the jurors in attendance upon the criminal courts or the police court of the District, were contained in Act July 7, 1898, c. 571, 30 Stat. 666. They may be regarded as superseded by this act.

Previous provisions relating to insane persons having property, admitted to the Government Hospital for the Insane, are contained in Rev. St. § 4849, set forth in Comp. St. 1901, p. 3358.

Discharge of person adjudged of unsound mind, as cured; sworn statement and order of court thereon restoring such person to former legal status.

Any person who believes he would be damaged by the registration of a mark may oppose the same by filing notice of opposition, stating the grounds therefor, in the Patent Office within thirty days after the publication of the mark sought to be registered, which said notice of opposition shall be verified by the person filing the same before one of the officers mentioned in section two of this Act. The Commissioner may refuse to register the mark against the registration of which objection is filed, or may refuse to register both of two interfering marks, or may register the mark, as a trade-mark, for the person first to adopt and use the mark, if otherwise entitled to register the same, unless an appeal is taken, as hereinafter provided for, from his decision, by a party interested in the proceeding, within such time (not less than twenty days) as the Commissioner may prescribe.

On the acquisition of the property of the New Panama Canal Company, and the payment to the Republic of Panama of the sum provided by the treaty between the United States and that Republic, by which the use, etc., of the zone of land described in this section was granted by said Republic to the United States in perpetuity, the President was authorized to take possession of and occupy said zone, designated as "the Canal Zone," and, temporarily, the powers necessary for the government of said Canal Zone, and the rights, powers, and authority granted by said treaty, are to be vested and exercised as the President shall direct, by Act April 28, 1904, c. 1758, set forth below.
